LONDON

Cirrus
0122-WP-CIWI03 Willow

With its wispy strands of linen woven in a subtle undulating fashion, Cirrus wallcovering is mellow from afar and hypnotic upon approach. Like the parade of cottony formations that share its name, Cirrus' weft recalls these gossamer tufts, each pulled and stretched into intermittent strips of white.

Pattern: Textured wallcovering

Colour: Willow, Light Green

Composition: 48.14% Polyester, 13.38% Linen, 25.34% Cellulose, 13.14% Additives
