Lily Stripe LS004 Dark Olive

Lily Stripe is a modern take on the traditional botanical textile. Originally a still life drawing, this bold stripe shows off the intricate details of the original illustration. This textile is extremely dynamic. It's organic and structured, feminine and masculine, bold and soft all at the same time. Originally a pen drawing, Lily stripe shows off the skill of the artist through the medium of digital printing. Every detail is apparent in this high-quality print.
