Marble Tile 2 Wallpaper MT2001 Cream

This pattern is printed on the most beautiful Mica paper. Mica creates a subtle sheen that adds depth to any design printed on it. Colours on this luxurious surface change with the light and come alive during different times of day. The result is a lustrous and pearlescent finish suitable for high-end residential projects.

Marble Tile 2 is a mirrored pattern with swirls of silver, bronze and cream. The design is reminiscent of a large slab of marble often found in luxurious bathrooms.
