## Mini Mademoiselle 0124-TR-MIMPA-02 Pine

Echoing the grandeur of its sister design but in a more delicate rendition, Mini Mademoiselle is for those who admire the subtleties. Retaining the detail and precision of the original, this smaller version brings the same fashion-forward essence in a petite form. Perfect for nuanced accents and finer details, the Mini ensures that even the tiniest corners of your space aren't left untouched by its unique charm.
