## Squiggle SQ002 Midnight

Squiggle's billowing organic linework is based on forms from the Cubist movement and Central American tribal art. Each textured cord of appliquéd flax undulates across an expanse of pure chintzed linen, combining luxury with a rustic sensibility. Choose from four exquisite colours to pair with other designs in the World's End collection. We particularly love using it to add a dash of texture to drapery.

**Pattern:** Geometric  
**Colour:** Midnight, Blue  
**Composition:** 100% Linen  
**Width:** 150cm / 59.1"  
**Horizontal Repeat:** 40cm / 15.7"
